Paul was preach-ing in J - e - ru - sa - lem. The peo-ple there did not a - gree.
The com - man - der or - dered the sold-iers strong To pun-ish Paul and beat him there.

They be - gan to shout, they be - gan to run. His life was then in jea - por - dy.
But there was a fact that they did not know; They had to han-dle him with care.

The sol - diers came to res-cue him And Paul stood there and said to them,
"I am a cit - i - zen of Rome, And well you know if that's my home

"My Lord ap-peared to me and then He saved me and now for a - while
You can - not treat me in this way." The men be - came so fear - ful then

I've preached the gos - pel to Gen-tiles. That's what my God wants me to do.
Of how they al - most treat - ed him An arm - y took him far a - way.
