

34. BASEMENT STEPS, - Puts Malchus's ear back on after Peter whacks it off 00,22,18

You have 34 STEPS GOING DOWN TO THE BASEMENT. As you start down you see blood on all 34 BASEMENT STEPS. At the bottom you discover an ear and realize it is Malchus' ear. Impetuous Peter has cut off this high priest servant's ear when the soldier came to get Jesus to be tried. Jesus puts Malchus' ear on again.

35. BASEMENT CLOSET - Second draught of fish totaling 153 fish 000, 21

There is a CLOSET AT THE BOTTOM OF THE STAIRS. It has a large number 35 on the CLOSET DOOR and when you open it, you get hit with 153 fish ... just like Fibber McGee & Molly's closet. This is the 2nd draught of fish that Jesus has given his disciples.
